The Cuban Research Institute cordially invites you to the presentation of the results of the 2014 FIU Cuba Poll.

First conducted in 1991, the **FIU Cuba Poll** is the longest-running research project tracking the opinions of the Cuban-American community in South Florida. Professors Guillermo J. Grenier and Hugh Gladwin, faculty members in the Department of Global and Sociocultural Studies, have directed the survey since it was launched. The poll provides the most complete picture of Cuban-American political attitudes over time.

Light breakfast will be served. To RSVP and for more information, call **305-348-1991** or email cri@fiu.edu.
