# **Anemias nutricionales en grupos vulnerables en Cuba: La situación actual**

by:

**José G. Reboso Pérez**

**Wednesday, May 14, 2008**

**12:30 pm**

**LACC Conference Room, DM 358**

Lecture will be in Spanish.

Space is limited. Call 305.348.1991 to RSVP by Monday, May 12th.

**José G. Reboso Pérez** received a Bachelor's and a Master's degree in Nutrition in Public Health from the University of Havana. From 1980 to 2005 he worked at the Institute for Nutrition and Food Hygiene in Havana, where he evaluated nutritional intervention programs and monitored anemia in the Cuban population, in close collaboration with the World Food Program and UNICEF. In 2005 he was appointed Professor of the Master's program in Nutrition and Director of the Laboratory on Nutritional Anemia in the University of Havana's Department of Biochemistry and Physiology.
