Arturo Rodríguez, *The School of Night XXI*, Oil crayon and charcoal on paper

Arturo Rodríguez: The School of Night

June 18 - August 24, 2014

Cuban-American artist Arturo Rodríguez's works on paper show a side of his art seldom seen. *The School of Night's* drawings are the result of sleepless nights seeking clarity to questions with hardly any answers. This intimate collection of drawings by the artist, and the writings of some of his best poet friends, are the backbone of his limited edition book project. The presentation of this book with poetry readings from it, along with an overview of the works included in *The School of Night* by Dr. Alejandro Anreus, Associate Professor at William Paterson University in New Jersey, will begin promptly at 5 pm. Presented with the generous support of Bryan Cave, LLP.

The opening reception is **FREE** and **OPEN** to the public.
