To Whom It May Concern:

My name is Janette Francois, homecoming chair, of the Student Programming Council. This year we are trying to make homecoming bigger and better than ever before. In the past, we have had elegant balls without the luxury of having an artist perform for the exception of the 2002 homecoming dance. This year we would like to bring an r&b artist to our campus to increase our crowd and school participation in homecoming. Suggested artist are: Lyfe Jennings, Donnell Jones, Trey Songz, and Tyrese. All of these artists have been quoted to be between the price ranges of 8,500 up to 10,000. Along with the dance, we would like to have a variety show that would show case Hypnobro, Buzz Sutherland or Benji Brown, and another artist. We have already determined that Hypnobro will cost us a little over 2,000, which we have to compensate him. The quote that has been estimated for Benji Brown and Buzz Sutherland ranges from 5,000 to 6,000. Now because our budget is not so large to accommodate for all of these big acts, we are requesting funds from the Student Government Council. With the publicity and the right funding, we can bring a larger student body to all of these major events including the outside crowd.

Thank you for your consideration and cooperation in advance,

A handwritten signature in black ink, appearing to read 'Janette Francois', with a large, stylized flourish on the right side.
