A M U S I C A L C O M E D Y

In 1970, three future giants of the American theatre, Stephen Sondheim, Harold Prince and Michael Bennett adapted a collection of one act plays into a musical about the different facets of contemporary relationships. The result was *COMPANY*, a show that changed the course of Musical Theatre forever. From *A Chorus Line* to *Rent*, nearly every important musical play can be traced back to the innovations of this landmark show. "As smooth as the steel-and-glass buildings of midtown Manhattan and as jumpy as an alley cat," *COMPANY* has been described as "tart, tender, cynical and ferociously beautiful," and "a smashingly intelligent musical comedy." After 25 years, this "major event in the Broadway theatre" has recently been honored with acclaimed revivals in London and on Broadway.
