This production of **Dancing at Lughnasa** signals, and celebrates, the end of an era. Since the beginning, VH 100 has been the main facility in which to produce our productions which we, in turn, offer to you. This theatre has given yeoman service as we have produced Shakespeare, musicals, comedies, and dramas.

But we look forward to a new beginning as we move into the newly constructed Herbert and Nicole Wertheim Performing Arts Center for next season. Besides housing thoroughly equipped scenic and costume shops and faculty offices, the Center includes two performance spaces for the Dept. of Theatre and Dance, a 250 seat state-of-the-art proscenium stage which will serve as our "mainstage" facility, and a black-box studio which will be used for performance classes as well as for unique and special productions.

To celebrate our move into the Herbert and Nicole Wertheim Performing Arts Center, we will present a special production of one of the great musicals of our time, the unforgettable **Fiddler on the Roof**, from November 14 through 24, 1996.

Please join us for **Fiddler on the Roof**, and help us celebrate our new beginning in the Herbert and Nicole Wertheim Performing Arts Center.
