Join us in welcoming the new Wertheim Performing Arts Center at Florida International University with the first studio show of the 1996-97 FIU Theatre Season. **ALL IN THE TIMING** is a collection of six short plays which all share an enchanting intelligence, refreshing originality and marvelous off-beat humor. Among the plays are: **Sure Thing**, a depiction of the difficulties of a first meeting between a man and a woman which humorously presents all of the potential pitfalls of such an encounter; **Words, Words, Words**, which gives us the proverbial three monkeys, left in a room with typewriters to produce Hamlet; and **The Universal Language**, an uproarious view of the creator of a Unamundo, a new universal language (in which the word for welcome is velcro). The New York Times says "Ives is wizardly, magical and funny, a master of language. He uses words for their meanings, sounds and associations, spinning conceits of a sort I've not seen or heard before. He's an original."
