Director's Foreword

The Art Museum is pleased to host the BFA Exhibition of Spring 2003. The BFA Exhibition is the culmination of the Visual Arts students' undergraduate program. It represents the portfolio of their finest work and is a requirement for the attainment of a Bachelor of Fine Arts degree. It is also an opportunity for the student/artist to gain practical experience with the exhibition environment. The students are responsible not only for selecting their work with the Art and Art History Faculty, but also for the installation of the entire exhibit. The exhibition is sponsored in part by the *Friends of The Art Museum*, The Art Museum at FIU and the Student Government Association (SGA) of Florida International University.
