As You Like It

November 13-16 + 20-23, 2003

By William Shakespeare

Directed by Wayne E. Robinson Jr.

One of Shakespeare's earliest plays, "As You Like It" is a delightful romantic comedy complete with feuding brothers, disguises, love and adventure. Within the confines of the magical Forest of Arden, everyone learns about life and renewal: sinners are redeemed, and love triumphs. "As You Like It" is one of Shakespeare's most spirited and poignant comedies examining the many guises of love, from the ridiculous to the sublime. But sitting squarely in the center of this play is the character of Rosalind, the balanced realist who also happens to be madly in love. She brings order to the universe of love and her awareness is a gift to us all.
