RE: Veto Appropriation 2012.0019

Hello Senator Morisset,

This memo is to inform you of the veto of Appropriation 2012.0019 which was passed to fund \$3000 to CAPSapaplooza. As per the information you relayed to me, the request was made 2 weeks prior to the event, which is well beyond the four week requirement. Furthermore, the request was made for a speaker, which they subsequently did not get. The finance code mandates that any entity receiving funding shall have our logo on any marketing material, which did not occur. This is an event that has been planned since at least the summer, and I see no reason why they waiting until the last moment to make the request. I would suggest the committee reconsider the amount to something lower if at all. There is also an error on the last whereas of the appropriation.

Sincerely,

Pablo A. Haspel
