# The Underpants

by Carl Sternheim

adapted by **Steve Martin**

In 1910 Dusseldorf, Louise Maske's underpants accidentally fall to her ankles while she is watching a parade.

Her husband is shocked and scandalized - when he finds out! Several men who witnessed the event have quite the opposite reaction. Louise finds herself overwhelmed by a storm of romantic and lustful attention. Her nosy upstairs neighbor, Gertrude, is more than willing to help Louise take full advantage of the situation.

As her husband Theo says "Never underestimate the power of a glimpse of lingerie!"
