THE ARABIAN NIGHTS

*After murdering his unfaithful wife
and in his rage at her betrayal,
King Shahryar marries and murders a
new virgin every night for three years.
When it's Scheherezade's turn to marry the king,
she plots to save her life from this terminal
honeymoon by distracting him with
hypnotic tales of genies, jesters, and thieves
until he forgets his anger.*

*Will she win her freedom and her life by eventually
winning her husband's heart?*
