# THE FIU THEATRE AND DANCE DEPARTMENT

The Department of Theatre offers two theatre degrees: a Bachelor of Arts (BA) and a Bachelor of Fine Arts (BFA), and the Department of Dance offers a Bachelor of Arts (BA). Our programs are ideal in size, large enough to be able to offer a wide range of courses taught by varied, well-qualified faculty and to support an active production program, yet small enough that every student receives personal attention.

The Theatre and Dance Department has an active production program. We currently present four faculty directed theatre productions a year and one Dance Ensemble including guest choreographers as well as faculty choreographed dance pieces. In addition to the faculty directed productions, there are student produced, directed and choreographed performances, done by Showcase Players, the student theatre organization and Forces in Union, the student dance organization.

In the fall of 1996 the Herbert and Nicole Wertheim Performing Arts Center opened and became the Theatre and Dance Department's new home. It includes a beautiful 250 proscenium theatre and large black-box Studio Theatre. All Theatre and Dance Department productions are produced in these two theatres.

If you are interested in learning more about the program or becoming a theatre or dance major, please call or write to our office for more information. The address is:
