The Multi-Talented Cameron McNall

By Elman + Skye + Rivas + Cheek

You're both an accomplished artist and an architect. What did you learn in school that still informs you today?

After graduation from the Harvard Graduate School of Design, you received commissions, awards, and grants for both art and architecture.

Talk about your "Hollywood Shadow Project."

How did you start doing projects that interact with human motion?

Talk about your project at the Fort Lauderdale-Hollywood International Airport.

Describe a challenging situation with a successful outcome.

We are sitting in an unusual house that you designed and built. Please tell us the backstory.

What is your earliest memory of art of any discipline?
