Chapter 601 Duties and Authorities of the Executive Board

601.01 The Executive Board hereby referred to as "E-board" shall be the administrative component of the Student Government Association.

Comment [PH5]: There are no mentions of e-board anywhere else, so this serves to purpose. Should only be here if all future instance of the body in the document are referred to as E-board.

601.02 The Executive Board shall be responsible for relaying information between the students and the school administration on projects.

Comment [PH6]: Already stated in Section 302.02(ii)(2) under the presidents duties.

601.03 The Executive Board shall be chaired by the SGC-BBC President who is responsible for scheduling E-board meeting times.

(i) Meeting times must be scheduled at a convenient time and location for all E-board members.

Comment [PH7]: Self-evident. You cannot have a meeting if no one can show up.

Comment [PH8]: All meetings are this way as per Roberts rules. Not necessary.

(i) Meetings shall hold provided there is quorum.

Comment [PH9]: Already stated in Section 302.02(ii)(2) under the presidents duties.

601.04 In the absence of the President, the Vice President shall chair the E-board meetings.

601.05 The meetings shall run according to the latest edition of the Roberts Rules of Order.

Comment [PH10]: Chief of Staff is not a member.

601.06 Every member of the E-board shall be eligible to vote on matters except the Chief of Staff who is an ex-officio member.

Comment [PH11]: Grammar. Should read "The Executive Board shall be responsible for voting on financial matters relating to trips, conventions, conferences and workshops that the Student Government Council attends."

601.07 The Executive Board shall be responsible for voting on financial matters relating to trips, conventions, conferences and workshops the Student Government Council attends.

Comment [PH12]: Conflict of Interest. We should not have any part in crafting the request since we are also the ones voting on how much money to distribute.

601.08 The Executive Board in conjunction with the SGC-BBC advisor shall deliberate on how much is needed for the SGC-BBC budget line item.

601.09 Executive Board meetings shall be held at least twice a month from the beginning of summer semester to the end of the spring semester.

601.10 Reports on goals and projects each branch is working on shall be made during the meetings.

Comment [PH13]: Reports should be emailed and due the night prior to the meeting so that members can read and think about it.

601.11 If for any reason an Executive Board meeting is cancelled, written reports must be turned in by all members of the Executive Board to all members of the Executive Board.

Comment [PH14]: Should be subsection of above.
Section 3: This Bill shall be implemented during the spring 2013 semester with a super majority of the SGC-BBC Senate.

RE: VETO Bill 2012.0014

Hello Speaker Odimayo,

This memo is to inform you of the veto of Bill 2012.0014 concerning the addition of the Executive Board article. The resolution contains numerous grammatical errors and redundant sections which do not add to the value of the bill. The role of the executive board is pretty clearly stipulated in the existing documents and the transition manual we all get when going into the position. The sections which are not as clearly defined could be added to the existing job description of the president, without the need for a new article to be added. The executive board is a selection of representatives from each branch which works as a way to ensure communication among the branches. It does not in my opinion as someone who has been part of the body for almost 3 years require an article in the statutes as it is very evident what the members must do. The bill does not add anything to the body which it already does not do or hasn’t done without the article.

Sincerely,

Pablo A. Haspel
