Preparing Miami for Democratic Transition in Cuba **Cuba and the World in 2015** **Between the Past and the Future**

Wednesday, March 4, 2015 | 6 PM | FIU Modesto A. Maidique Campus | MARC Pavilion

In December 2014, President Barack Obama announced a significant shift in US policy toward Cuba. After more than 50 years of strained relations between the two countries, the US intends to re-establish diplomatic ties with Cuba and normalize relations. The Václav Havel Initiative for Human Rights & Diplomacy will explore Cuba's international relations in the beginning of 2015 and on the heels of this dramatic shift in US policy. Four distinguished scholars will examine important dimensions of Cuba's current foreign relations and what these mean for human rights and the process of democratization on the island.
