The SGC University Wide Council is responsible for allocating funds for “University Wide” expenses, and the Biscayne Bay Campus Student Government Council (BBC SGC) is responsible for the allocation and expenditure of A&S Fee for its campus.

C. FISCAL YEAR The fiscal year for the SGA will be July 1 to June 30.

D. CHRONOLOGY The process for preparing the annual fiscal budget shall begin in earnest no later than August 15 of the previous academic year. This process will include:

1. The Office of Budget Planning and Analysis submits to the Student Government preliminary projected figures of enrollment as well as fee revenue for the next year. It will be understood that these figures are projections.

2. The Finance Committee will make available budget request forms for any interested parties wishing to request funds of the A&S Fund. These forms along with a set deadline will be advertised and made available to any existing funded entities, as well as any groups that have received funding within the past three years.

3. The Finance Committee will schedule a budget hearing no later than one week following the deadline for Request Forms. The purpose of this hearing is to give an opportunity for requesters to make presentations and to be able to respond to questions from Finance Committee Representatives. This hearing will also be advertised and open to the public; groups making requests are required to attend.

4. University Council will first prepare a budget draft to determine fixed expenses for University Wide expenses to include but not be limited to the Student Media, Greek Councils and Honors Council.

5. The Finance Committee will then prepare a budget draft for the Biscayne Bay Campus, once the University Wide figures have been decided and the remainder of fees split according to the Full Time Enrollment (FTE’s) on campuses.

6. The Office of Budget Planning will update FTE projects as necessary during the course of the year. It is the responsibility of both the University council and Finance Committee to make any necessary adjustments due to any discrepancy between budgeted figures and projects to ensure a balanced budget.

7. A budget hearing for the purpose of public opinion on the budget drafts will be held prior to the last week in March. This forum, as well as the drafts, will be advertised and publicized, and all beneficiaries of A&S fees should be present.

8. After the start of the Spring semester, but prior to February 15, the University Council will finalize its budget at one of its regular meetings. At the same time, the Finance Committee will submit its draft for approval by the Council at a regularly scheduled meeting, by a two-thirds vote and amended by a two-thirds vote. A rejected budget shall be returned to the Finance Committee for revision.
9. The finalized budget will be submitted to the University President for his approval or veto via the Vice President of Student Affairs in accordance with State Statutes. If no action is taken within fifteen (15) days following presentation, the budget shall be deemed approved.

10. It is the responsibility of the Finance Committee to review and make recommendations to SGC for the expenditure of all reserve and unallocated funds of the SGC budget.
