FLORIDA INTERNATIONAL UNIVERSITY

Calendar of Events

SPRING 19

SAC • SPC • SOC  
North Campus

The Student Programming Council plans and implements guest lectures, movie series, comedy and variety shows, dances, luncheons, multicultural programs, and many other social and educational events. Getting involved in SPC provides students an opportunity to gain skills in budget management, contract negotiation, facilities management, and program evaluation procedures. It's also tons of fun!!!

The Student Organizations Council assists with the registration of student organizations governing club activities, including financial allocations. More than 50 clubs and organizations are available for students to join on the North Campus. Included are service clubs, sports-oriented clubs, honoraries, and special interest groups.

The purpose of the Student Government Council is to serve as a governing body representing student interests and addressing student needs on the North Campus. There are fourteen elected positions on the council, and new students are encouraged to run for office or join one of the four standing committees: Academic Affairs, Finance, Student Services, and The Panther Lobbying Team.

**North Campus**
