Re: Requirement for Monthly Reports

Date: Tuesday, May 28, 1996

The entities listed above are required, as a stipulation to their funding, to provide a monthly report of their activities and expenditures to the Student Government Council. Failure to meet this requirement will result in loss of access to funds.

This report may be presented in writing or in person, so long as the individual representing a particular entity makes the appropriate prior notification to the President. Remember, this requirement is for the benefit of the entire student population, so that they can have access to more complete records of the uses of their money.

    Arminda Pravia, Student Activities Office Accountant
    Helen Ellison, Associate Vice President for Student Affairs
