Vice President Christine Denton
Christine starts out by welcoming the council to the 1st meeting. Christine states that she has accompanied Prado to all the meetings that he mentioned in his report. In the past the President and the Vice-President have been on very different agendas. Although their positions focus on different responsibilities, they will be attending many meetings together including BOT meetings, meetings with Dr. Rosa Jones, and the President so on and so forth. They want to be on the same page about everything that is going on, and by attending many of the same meetings she will be just as informed. Christine talks about the move, how there is a lot more space and it is much more conducive to the professional student government environment that we have been moving towards. If you want to assist with the moving process and organizing please contact Lilly or Phillip. Instead of keys there will be ID entry. Phillip and Lily will be giving the key band (your panther ID's) to activate your cards to open the front door. The retreat will be June 3-5. We will be departing June 3rd at 8:00 am and will be returning on June 5th at 3:30 pm. The retreat is in Marco Island. Please stay after the meeting to sign indemnity forms, without these forms you cannot attend this retreat. Prado and Christine are finalizing the polo's. If you have any suggestions let them know. They have been having problems ordering them because there are no women sizes, so they are currently selecting new ones. After the meeting is adjourned newly elected committee chairs, please meet with her and Phillip after to fill out information for the retreat and to pick a meeting time. Christine wants to thank Phillip and Lily for being the right hand of student government. And thank you to Charlie for being a great advisor thus far.
