International Students Providence E. Okoye

They had a committee meeting today. Attendance was poor probably because of the hurricane and mid-terms. But a lot was still accomplished. The international student Ambassador training that was scheduled for October 26th is being rescheduled. A date has not been set yet, but the council will be informed of the new date. They plan on having an international student forum in the Spring semester. They are hoping to have administrators such as Dr. Jones, Dr. Lunsford, Dr. Sippin, Dr. Kincid, Dr. Webb, administrators who particularly deal with things that concern international students. The invites will be sent out before the end of the month. They hope to have a lot of student participation and representation from the council. Proposals for Taste of the World are being sent out. Students looking to participate in assisting in planning should contact Providence at Divorp@yahoo.com. Their next meeting is on November 16th at 2:00 in the SGA conference room. The whole council is encouraged to attend. Also. If you have any suggestions, please let them know.

Student Services Kenny Gelok

Mobile campus proposal has gone to the University Lawyers, so Kenny will no longer be involved in it. Enrollment services committee needs to get people signed-up for it. Committee meeting at 10:30am this Friday.
