*Florida International University – Student Government Council – Biscayne Bay Campus*

**Agenda Item:** Rehabilitation of the Intramural Field and construction of stands  
**Authors:** Oluwatobi Adekoya, Senator At Large  
**Sponsors:** Pablo Haspel , Honors College Senator  
Oluwatamilore Odimayo, Senator At Large  
**Committee:** Of the whole  
**Date:** October 17, 2011

**In support of the rehabilitation of the Intramural Field and construction of stands at the Florida International University at BBC**

**Whereas,** According to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

**Whereas,** The Intramural Field on the Biscayne Bay Campus is used by students and there have been concerns about the state of the field, due to the fact that students have incurred several injuries,

**Whereas,** The Intramural Field is uneven, filled with potholes, rocks and also lacking grass in many areas making it unsuitable for safely practicing sports and playing on it,

**Whereas,** The rehabilitation of Intramural Field will make it conducive for players to practice and play without the possibility of injuries or sprains which have been caused by the hazards of the Biscayne Bay Campus Intramural field,

**Whereas,** The construction of stands, which the Intramural Field lacks, will make it convenient and suitable for visitors and students to sit and relax while watching a game, match or tournament,

**Therefore be it resolved:** The Biscayne Bay Campus Student Government Council is in support of the rehabilitation of the Intramural pitch and construction of stands, by having President Halpin schedule meetings and Executive Branch partake in these

meetings with the corresponding departments in an effort to achieve a healthy and safe field. Once the meetings are concluded, the Executive Branch will present the best plan to the Senate for approval.
