In support of an analysis of career service outreach issues

Whereas, According to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

Whereas, Career Services allows students to be competitive in a tight job market during and after graduation by offering skills in salary negotiation, interviews, resume writing and networking,

Whereas, Students are underutilizing this pivotal service crucial to their success in the job market,

Therefore be it resolved: The Legislative Branch of the Student Government Council at the Biscayne Bay Campus mandates Simbisai Mubau, Director of Academic Affairs for the SGC-BBC, to do the following: meet with Career Services in order to compose a formal report documenting: 1) the problems of outreach 2) the solutions proposed by Career Services. This report is to be presented to the Senate no later than two months after the signing so that the Senate may decide upon the proper course of action.
