RESOLUTION

Florida International University – Student Government Council – Biscayne Bay Campus

Agenda Item: Repairing the first floor of Academic Center II

Authors: Alix Sanchez, Hospitality and Tourism Management Senator

Sponsors: Pablo Haspel, Honors College Senator
 Jorge Nonell, Arts and Sciences Senator

Committee: Of the whole

Date: October 12, 2011

In support of repairing the first floor of Academic Center II

Whereas, According to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

Whereas, The tiles located on the first floor of Academic Center II are loose and in many cases completely detached,

Whereas, The loose and detached tiles cause a threat to the safety of students, faculty, staff, and visitors. It does not provide a stable walkway for the student body to move around leading to potential slips and falls,

Therefore be it resolved: The Student Government Council at the Biscayne Bay Campus is mandating the Executive Branch to contact facilities within a three week period to address the issue of repairing the first floor of Academic Center II.
