Agenda Item: Adding Circuit plugs near every swinging chair at BBC
Authors: Oluwatamilore Odimayo, Senator At Large

Committee: Of the Whole
Date: October 18, 2011

In support of the addition of circuit plugs near every swinging chair at BBC

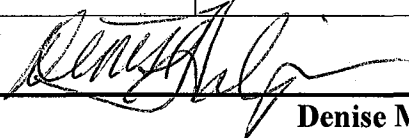

Whereas, According to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

Whereas, The students of FIU relax on the swinging chairs and sometimes take time to do their school work,

Whereas, In most swinging chairs at BBC, there are no circuit plugs thus making it difficult for students to use their laptops while enjoying the natural surroundings.

Whereas, The installation of circuit plugs next to every swinging chair will make it conducive for students to eat, relax and study while charging their electronic devices.

Therefore be it Resolved: The Biscayne Bay Campus Student Government Council is in support of the addition of circuit plugs next to every swinging chair at the Biscayne Bay Campus. The Chief of Staff will be responsible for the scheduling of appropriate meetings to ensure the feasibility of the project. A formal report will be submitted to the Senate within one (1) month of the signing, reporting on the progress of the initiative.
