In support of the addition of umbrella bag stands to the entrance of every building at BBC

Whereas, According to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

Whereas, Due to the adverse weather conditions in Florida, students use umbrellas year round,

Whereas, As a result of the lack of umbrella bags, students have no choice but to enter the buildings with their dripping umbrellas,

Whereas, The short period between the time students walk into the building with their wet umbrellas and the time when the area is dried up, accidents, slips and falls might occur, therefore making it hazardous for the student body,

Therefore be it Resolved: The Biscayne Bay Campus Student Government Council is in support of the addition of umbrella bag stands in front of the entrance to every major building at BBC. The Vice President shall be in charge of making sure this policy is implemented in a timely manner. Once the policy is implemented, a formal report shall be submitted to the senate.
