**Authors:** Diana Deonanan, Lower Division Senator

**Sponsors:** Oluwatamilore Odimayo, Senator At Large  
Olivia Dehaarte, Senator at Large

**Committee:** Of the Whole

**Date:** October 13, 2011

**In support of the construction of a roof to the existing pathway from the WUC building to the Marine Science building**

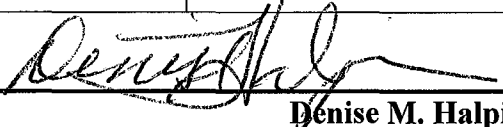

**Whereas,** According to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

**Whereas,** The walkway from the WUC building to the Marine Science building is utilized daily by a significant number of students,

**Whereas,** When it rains, the lack of a covered pathway creates delays for students, faculty, and staff.

**Whereas,** The construction of a roof will make it conducive for students to move from the WUC building to the Marine Science building regardless of the weather conditions,

**Therefore be it Resolved:** The Biscayne Bay Campus Student Government Council is in support of the construction of a roof above the pathway from the WUC building to the Marine Science building, by mandating the Executive Branch to meet with the corresponding parties. After any meeting, a formal progress report shall be submitted to the Senate, and prior to any final decision being made, the Senate shall approve any proposal.
