In support of the rehabilitation of the bathroom stalls in the Chaplin School of Hospitality and Tourism Management

Whereas, According to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

Whereas, Due to all the construction that is occurring in the Chaplin School of Hospitality and Tourism Management, there are many bathrooms that are closed. The ones that are available to the students, faculty and staff have problems with the stall doors,

Whereas, The doors to many of the stalls fail to close properly or sometimes don’t close at all. Furthermore, there are many stalls that leave large gaps, which makes people feel uncomfortable and exposed,

Therefore be it resolved: The Student Government Council at the Biscayne Bay Campus is in support of the rehabilitation of the bathroom stalls in the Chaplin School of Hospitality and Tourism Management. The Vice President shall be in charge of making sure this policy is implemented in a timely manner. Once the policy is implemented, a formal report shall be submitted to the Senate.
