In support of Placing of Hand Dryers in all Bathrooms on Campus

Whereas, according to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

Whereas, some bathrooms at the Biscayne Bay Campus do not have paper towels to be used after students utilize the facilities,

Whereas, when hand dryers are provided in bathrooms, it will meet the demand of students or users for drying or sanitizing their hands after usage of the facilities. The use of hand dryers instead of paper towels will be a green initiative good for the environment, thus FIU will be more environmentally friendly.

Therefore be it Resolved: The Biscayne Bay Campus Student Government Council is in support of placing hand dryers in all bathrooms on Campus. The President shall select someone from the executive branch to spearhead the initiative, and report with two weeks.
