# RESOLUTION

*Florida International University – Student Government Council – Biscayne Bay Campus*

**Agenda Item:** Installation of Student Information Board for the Honors College in the Academic I building

**Authors:** Carolina Krauskop, Honors College Senator

**Sponsors:** Oluwatamilore Odimayo, Senator At Large  
Desir Nonhomme, Arts and Science Senator

**Committee:** Of the Whole

**Date:** July 9, 2012

**In support of the Installment of Student Information Board for the Honors College in the Academic I building**

**Whereas,** According to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

**Whereas,** Due to the lack of information on the Honors College on the Biscayne Bay Campus, the Honors College misses out on getting potential students,

**Whereas,** Due to the fact that the Honors College has no bulletin Board to promote their programs, it is hard for students to know what opportunities and benefits the Honors College provides,

**Whereas,** the Installment of Student Information Board for the Honors College at the Academic I building increases the possibility of information access to students for improving the student involvement within the Honors College,

**Therefore be it resolved:** The Biscayne Bay Campus Student Government Council is in support of the installment of a Student Information Board in the Academic I building on the second floor by the stairs. The SGC-BBC senate hereby mandates the President of SGC-BBC to take charge of making sure this policy is implemented before the fall semester starts. A written report shall be sent to the senate as soon as the project has started.
