RESOLUTION

Florida International University – Student Government Council – Biscayne Bay Campus

Agenda Item: Adding concern boxes to all the major locations on the Biscayne Bay Campus.
Authors: Odimayo Oluwatamilore, Senator At Large.
Sponsors: Abel Ramos Taype, Arts and Science Senator.
 Carolina Krauskof, Honors College Senator.
Committee: Of the whole
Date: July 8, 2012

In support of the addition of concern boxes to all the major locations on the Biscayne Bay Campus

Whereas, According to the Student Government Association Constitution, SGA serves as “the governing body responsible for representing the student interests and addressing student needs,”

Whereas, Students need an easier way to voice their concerns, suggestions,

Whereas, Due to the unlikelihood that students submit a complaint online or in the office, a concern box at easy locations on campus will be beneficial to the student body,

Therefore be it

Resolved: The Biscayne Bay Campus Student Government Council is in support of the addition of concern boxes to all the major locations on the Biscayne Bay Campus. The decisions on where the concern boxes would be located should be discussed and agreed upon by the majority of council members in a general meeting. The SGC-BBC senate hereby mandates the President of SGC-BBC to spearhead the act on this resolution. A formal report must be turned in to the senate meeting within two weeks of the passing of this resolution.

To the SGC-BBC President,

A recent error was made on a legislative document. The resolution titled "Concern Box 2012.008" has been changed to "Concern Box 2102.0011". The numbers were incorrectly put in by the author of the resolution. The Resolution was passed with Unanimous acclamation of 10 voting members.

Once again, I'm deeply sorry for the inconvenience. Let me know as soon as the Resolution has been signed by you. Thanks.

Regards,

Odimayo Oluwatamilore,
Student Government Speaker of the Senate– Biscayne Bay Campus

RE: VETO Resolution 2012.0011

Hello Speaker Odimayo,

This memo is to inform you of the veto of Resolution 2012.0011 concerning the addition of concern boxes has been vetoed. The resolution contains neither any background nor any real reasoning for why the concern boxes are necessary, nor what their benefit would be to the student body. This resolution should never have made it through Judiciary committee since it lacks content, contains incomplete sentences and fails to even qualify as a resolution by the standards that the senate has set in the past. With such an incomplete resolution, it would fail to accomplish its goal, much like last year's concern box resolution failed to get anything done. I expect better quality resolutions to come from the senate in the future.

Sincerely,

Pablo A. Haspel
Student Government President – Biscayne Bay Campus
