Alternative BBC Food Options

Section 1: The reason for this resolution is to collect data from the student body at FIU BBC. This data will be used to address the need for new food options and/or the need for extended food hours.

Section 2: We are expecting to partner with officials and faculty that are also interested in the topic in order to take action. After meeting with FIU officials already working towards these efforts, we will present to them the data received to implement a reasonable solution for the cafeteria needs at the Biscayne Bay campus. This survey is inclusive towards the following group, but also not limited to: residents at the housing facilities at FIU BBC, commuter students, faculty/staff, and other members of the FIU community.

Section 3: The expected day to begin distribution to the public of the surveys would begin October 5th, 2016. The survey will be concluded two months following the published date or December 5th, 2016.

MEMORANDUM

To: Marcy Alstrom, SGA Office Assistant at FIU SGC BBC
From: Micaela M. Suarez, At Large Senator/ Finance Chair at FIU SGC BBC
Date: Tuesday, January 31st, 2017
Subject: Status of Resolution 2016.0001

Resolution 2016.0001 was drafted in the Fall Semester of the 2016-2017 Academic Year. The resolution was struck down by the FIU SGC BBC Executive Board due to an existing effort being conducted by FIU Business Services. Their efforts were to understand the needs and demands for longer business hours for food options at the Biscayne Bay Campus. The resolution was halted because our efforts at Student Government would conflict with the work in process of Business Services.

Since, Resolution 2016.0001 was written as an official SGA document with the SGC BBC letterhead, the Resolution stands without presidential signature in the SGA database. The next resolution written up by Student Government at the Biscayne Bay Campus must have "Resolution 2016.0002" as the Resolution number.

This document serves as explanation as to why Resolution 2016.0001 never survived to completion of FIU SGC BBC approval by its President, Allhan Mejia. If you have any questions or concerns, please contact me via email at msuar178@fiu.edu or by phone at (786) 859-6009.
