Sapo Gonzalez

Max Farber

Edgar Sequeira

David Llanes

David Chiverton

Special thanks to Professor Gary Campbell as well as Professor Mike Orta and Dr. Sam Lussier for their musical instruction and guidance.

*Master's Recital*

Wednesday | 29th April 2009 | 12pm  
HERBERT AND NICOLE WERTHEIM  
PERFORMING ARTS CENTER  
INSTRUMENTAL HALL

*Ashley Mae Baker*

Each of the pieces performed today are original compositions, written over the past year and a half. In order to maintain musical continuity among these pieces, each was created in such a way as to possess similar musical characteristics regarding melodic and harmonic structure, as well as the overall arrangement of each composition. It is important to note that although these pieces share a number of fundamental similarities from an analytical perspective, the emotional and spiritual elements that influenced these works provide each composition with its own unique characteristics.
