

APPENDIX I

Nicole Wertheim College of Nursing & Health Sciences Florida International University

We would like you to share your opinion on Female Veterans' Sexual Behavior

We would like you to help us answer some questions, on paper or via computer-based surveys, to understand your knowledge, attitude, social and cultural factors that help you make decisions about sex. Your answers will be anonymous, private and confidential. No one will be able to identify you or the answers you give us.

You will only be asked to answer these questions in
one (1) session of approximately
60 minutes or 1 hour

In appreciation for your time, you will receive
A Gift Certificate of \$10
