Defining DIASPORIC CITIZENSHIP

“The question of diasporic citizenship, occupies the interstices of the nation-state and other forms of politicized community, for being a diaspora citizen entails culturally and politically aligning oneself with communities beyond the borders of the nation-state...in addition to negotiating legal and cultural positionalities in relation to this very nation state.” Alex Weheliye
DIASPORIC CITIZENSHIP cont.

According to Weheliye: “the national and the transnational are quasidialectical partners in the movement of globalization...
Thus “the phrase “diasporic citizenship” excavates the tension between the national and the transnational rather than one subsuming the other” - Weheliye
GENDER AND SEXUALITY IN BARBADIAN/CARIBBEAN RECEPTIONS OF RIHANNA

- She dresses too provocatively
- She’s a terrible role model for young girls
- She has been corrupted by Hollywood
- She is a young girl who needs protection

DIASPORIC CITIZENSHIP again...

Entails negotiating “legal and cultural positionalities in relation to this very nation state.”

Current concerns in Barbados:
• Is she an appropriate national symbol
• Where does she pay taxes?
• How can she stimulate the Barbados economy further?
